Tri-City Chinese School

Dear TCCS students and parents,

I am privileged and honored to be your Principal for the 2010/2011 school year. I believe that parent participation is a link to student success; therefore, I encourage all parents to be part of the school atmosphere.

The first day of school will be Saturday, September 11, 2010. Class assignments will be posted on the first day of school. Our staff and I will also assist students and parents on the first day of school to ensure everyone is in the correct classroom.

I am happy to announce that we were able to renew our lease contract with Ardenwood Elementary School. A big thank you to Elaine Szeto for making it happen.

A few general rules in making sure that the classrooms are clean and kept in the same condition:

1. No eating or drinking inside the classroom.
2. Do not use anything that does not belong to TCCS such as the wipes, clips, markers, pencils, etc.
3. Do not touch, rearrange, play or take away anything in the classroom.
4. Do not erase anything on the boards and only use the space available on the board. Remember to erase the board after you used it.
5. Keep desks/chairs in the same order and condition.
6. Do not litter in the classroom.

Ardenwood Elementary School has limited parking spaces. Please adhere to the drop off and pick up procedures set by our Security team. Please do not leave your car unattended. Our staff and I are committed and prepared to ensure the kids at TCCS are safe.

Hope you all had a great summer and are ready to go back to school. I believe this school year will be the foundation of many wonderful school years to come.

Please feel free to come to me or email me at principal@tricitychineseschool.org if you have any questions or concerns.

Kim Lou, Principal
